EDINBURG – The Boys & Girls Club of Edinburg will be holding a Duck Derby. On July 2, the organization will launch 5,000 ducks into the northwest pond at Edinburg Municipal Park. The park is located at 714 South Raul Longoria Road.

There will be several prizes available, including a \$2,500 Visa gift card, a three-night stay in Chicago, two tickets for 5 Seconds of Summer Concert tickets and others. Hacienda Ford will also randomly select a duck. The person whose number matches that duck's tag number will win a 2016 Mustang V6.

Duck adoptions were sold outside a local Walmart and at the club. There were also sold to parents of children attending summer camps at the club. The Boys & Girls Clubs of Edinburg uses the summer months to expand learning time through these camps.

Duck adoptions are still available and can be purchased by calling 956-383-2582 or online at www.edinburgduckderby.com. A list of prizes, rules and regulations are also available at the website.

“We want to raise funds for our programs and come together as a community in a fun, exciting way,” explained Sabrina Walker-Hernandez, CEO of Boys & Girls Clubs of Edinburg RGV. “We hope that this event also provides awareness of the programming that we make available to youth who need it the most.”
